# SUMMARY OF TENNESSEE'S FINANCIAL RESPONSIBILITY LAW TENNESSEE CODE ANNOTATED, TITLE 55

The law requires that you be advised of your obligations and how this law may affect your driving and vehicle registration privileges. The purpose of the law is to protect you and the public from financially irresponsible drivers who become involved in an accident, as well as from drivers who have repeated violations and disregard of the law.

Liability insurance provides coverage for damages you cause to other persons. Uninsured motorist insurance provides coverage for the damages uninsured persons cause you. State law requires your agent to offer you coverage against uninsured drivers.

- 1. IF YOU CONTRIBUTE TO A REPORTABLE ACCIDENT you may be required to establish financial responsibility for that accident. If so, you will be required to file an accident report with the Department of Safety. You will have to do one of these three things when you file your report: (1) show proof you had liability insurance at the time of the accident; (2) obtain notarized releases from all parties that file claims with the department; (3) post cash or corporate surety bond with the department for the amount of damages sustained by the other parties. IF YOU DO NOT COMPLY WITH THESE REQUIREMENTS YOU WILL HAVE YOUR DRIVING AND REGISTRATION PRIVILEGES REVOKED.
- 2. THE FINANCIAL RESPONSIBILITY LAW requires officers to ask drivers for proof of financial responsibility when they are charged with moving violations or involved in traffic accidents. Proof of financial responsibility is: evidence of liability insurance in effect at the time of the violation or accident; proof the driver has qualified as a self insurer with the Department of Safety; or proof the driver has posted a bond with the Department of Safety. If convicted of failure to have such proof in the vehicle, the driver may be fined \$100.00 and the driver license will be suspended.
- 3. IF YOU DO NOT TURN IN A DRIVER LICENSE, VEHICLE LICENSE PLATE, OR VEHICLE REGISTRATION WITHIN 20 DAYS when any is revoked, suspended or canceled, you will owe the department a \$75 fee in addition to other required reinstatement fees.
- 4. IF YOUR DRIVING PRIVILEGES ARE REVOKED DUE TO A CONVICTION OR FAILURE TO FILE SECURITY AFTER AN ACCIDENT, in addition to all other requirements you must have a liability insurance carrier file an SR-22 Form with this department before your privileges can be reinstated.
- 5. IF YOU HAVE ANY QUESTIONS REGARDING THESE LAWS, OR REGARDING YOUR OWN DRIVING PRIVILEGES, WRITE: The Tennessee Department of Safety, PO Box 945, Nashville, TN 37249-4000. or CALL THE TENNESSEE DRIVER INFORMATION line:

# (615) 741-3954

TDD - Telecommunications Device for the Deaf (615) 532-2281

## SUMMARY OF SELECTIVE SERVICE

By submitting this application, I am consenting to registration with the Selective Service System, if so required by Federal Law.

#### VOTER REGISTRATION

- · You are NOT registered to vote until you receive your voter registration card.
- If you do apply to register to vote while applying for a driver license, your receipt will show the date you applied. If you have not received your voter registration card within three weeks, call your local election commission to follow up on the application status.

## **KEEP YOUR APPLICATION!**

### SAVE TIME!

- · No need to fill out another application if you just need to bring some documentation, or clear up your driving record.
- · Remember to bring back all of your original documentation.
